

### BIG STEEL TO CUT THROUGH THE BIG SNOW.

For decades, **Arctic** has been the reason Canadians have found a parking spot. Built for commercial applications, constructed of 10 gauge hot-rolled steel. Built for full-sized vehicles and larger.

**10 GAUGE  
HOT-ROLLED STEEL**  
for timeless strength  
and durability

### GALVANIZED ZINC COATING BONDS TO METAL

and gets into tough-to-reach areas missed by other coating processes to provide superior rust protection

### STRUCTURALLY INTEGRATED REINFORCING RIBS

**TENSION SPRINGS**  
support this full trip blade.

### QUIK\*LINK® IV ATTACHMENT

### NITRIDED HYDRAULIC CYLINDER ROD

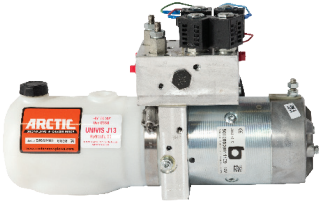

combines a high surface hardness with increased corrosion resistance

**SKID SHOES**  
included

**6" CURVED DEFLECTOR**  
included

**1/2" HARDENED STEEL  
CUTTING EDGE**

# TOUGHER THAN A CANADIAN WINTER

**M3493 HYDRAULIC POWER UNIT**  
uses a 1.5" x 6" lift cylinder with proven performance and reliability. This unit has an operating pressure of 2000 psi and the crossover relief valves are set at 3000 psi. This pump is compatible with all our control systems.

Heavy Duty Steel Specifications			
Plow Name	HD90-S	HD96-S	HD102-S
Blade Height	27"	27"	27"
Complete Weight*	615 lbs	631 lbs	647 lbs
Skin Blade Material	10 ga	10 ga	10 ga
Plow Width	90"	96"	102"
Plowing Width at Full Angle	78"	83"	88"
Number of Ribs & Springs	5 ribs 3 springs	7 ribs 4 springs	7 ribs 4 springs
Cutting Edge	1/2" x 6" Centre Punched	1/2" x 6" Centre Punched	1/2" x 6" Centre Punched
Warranty	2 years	2 years	2 years

\* Weight does not include frame mounting kit

### HANDHELD CONTROLLER

This ergonomic controller has 4 rubber-faced buttons, with a float light in the middle. An automatic shut-off eliminates accidental use or drained batteries.

### JOYSTICK CONTROLLER

The joystick is mounted to the window opening in the driver-side door and allows you to alter the plow's angle in the float position.

### OPTIONAL ACCESSORIES

**PROWLING EXTENSIONS**

**HEATED LED LIGHTS**

**CURB GUARD**

**LICENSE PLATE BRACKET**

**POLY CUTTING EDGE**

**SHOCK ABSORBER**

**QUIK\*LINK®** is a registered trade-mark of Arctic Equipment Manufacturing Corporation.
