

HITCH MOUNT POLY SPREADER

THE SPREADER

Our superior spreading solutions are now even better. Arctic's newest spreader is engineered with two things in mind: ease and durability. This spreader is very easy to operate and maintain, and offers a new level of toughness, courtesy of our innovative galvanized coating and tough poly hopper.

SPECIAL FEATURES

- Powerful 1/2HP motor with stainless steel spinner disc
- Galvanized steel frame prevents corrosion
- Easy attach / removal with greaseable wheels
- 2" receiver included
- Optional swing arm attachment allows easy access to tailgate
- Optional 3 point-hitch attachment for tractor mount
