

ARCTIC LIGHT UP BLADE GUIDE (54058-M)

54058-M

Seq.	Item Code	Description	Qty
1	54058-N	LIGHT UP BLADE GUIDE (SINGLE)	2
2	54022-01-A	LED BLADE GUIDE ADAPTER HARNESS	2
3	53541-N	6 IN CABLE TIE (BAG OF 1000)	25

Installation Instructions

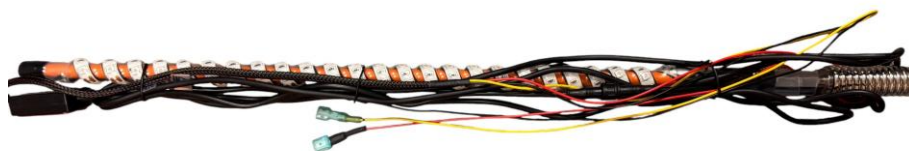

1. Attach the brackets (picture 1) to both sides of the blade using the supplied hardware. The brackets are provided with the light guide (picture 3).
2. Attach the light guide (picture 3) to the brackets installed.
3. Route the light guide wires through the blade frame to the power unit. Secure the wires to the blade using the supplied cable ties. Ensure the wires have sufficient slack to accommodate blade movement and prevent excessive tension, interference, or damage during operation.
4. Connect the appropriate light guide wires (red & yellow) to the adapter harness (picture2).
